**Summary of reasons
for classification:**

The DVD slick entitled *Fresh Skin* is classified as:

Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The slick, which advertises the DVD of the same name (OFLC No. 401347) is considered likely to be injurious to the public good due to the explicit and moderately degrading images of sexual activity contained within it. Maturity and experience are required to place these images in the context of adult entertainment. Restricting the slick to adults aged over 18 years will prevent any likely injury resulting from the publication's availability.
